

Dear Rochester Borough Councillors,

We have been living on the island for 47 years. We moved here when Paul was tractor driver & combine driver and was employed by David Lord he worked for him for 25 years, but then took on his own gardening business until he retired. We have seen a lot of development over the years and seen Mersea grow from a small community to what it is now. We are grieved to see good farm land been used for building, so we object most strongly to build any more houses on the island. Not that, that is the only
