

issue. Our doctors and dentist can't cope
 now with the ^{amount of} residents, the sewer system
 is inadequate and has not got enough
 capacity to take any more houses. The
 schools are only just coping with the
 amount of children they have now.

In summer the population grows as
 there are a number of caravan sites
 on the Island. There is only one
 road off and on the Island, if we
 had to evacuate it would be a
 disaster. The employment on the Island
 is limited, and people have to commute
 to Leolchester or further a field.

So we ask that common sense will see,
 that any more development would not be right
 for Mexsea Island
